“ Nicki and I are saddened to heard of Uncle Richard's passing. He was a real gentleman, wonderful role model, father, husband, and patroit. He will be missed by all of us who knew him, respected his values and enjoyed being around him in life. We know he is with JoAnn and they are out of pain, holding each other, meeting with brothers, sisters and parents who went before them. He is with the Angels and would not come back even if given the choice. He was my old moose hunting buddy and he provided me with wonderful memories of a hunting trip 45 years ago. I will take those wonderful memories with me for the rest of my life. Safe and wonderful travels with all your relatives and your wife Uncle Richard. We will never forget you. Chris Acker
