“ Dear Kim, Rikki, Randi, and Kaci, I have known your daddy since before you three girls were born. He was a kind and wise man. We have never known a man who loved his wife and beautiful girls as much as he loved you. He loved you unconditionally and was so proud of all of you. He will be greatly missed by everyone who had the privilege of knowing him. A great man like Rick Montgomery doesn't come along every day. I don't think we will know until we get to heaven just how many lives he has touched and changed. Your daddy never liked to do things to draw attention to himself. He just quietly, faithfully and constantly thought of others. We are glad we have the hope and joy of knowing he loved Jesus and that we will see him again soon. We love you all and are praying for His peace to surround you and comfort you. Dan and Leisa Hoppach, Charis and Elliot

“ Rick was so special in many ways. He loved his family and everyone he knew. He had a special wisdom about what people wanted and needed. He was a teacher in the classroom, in the buisness community and in the neighborhood. His life was his testimony to God. He was indeed a good man.

“ I had the great pleasure to work under Rick at LHS when I ran the attendance office. This is also where I came to know Rikki who I have the pleasure of now working with. He had such a welcoming smile and was such a pleasant, friendly man. I know the students at LHS as well as staff all appreciated his dedication. He shall be greatly missed but I know has moved on to a heavenly place. I shall keep everyone in my prayers. Sandra Smallwood

“ Mr Rick, you were so much more than a neighbor to me. When I moved to FL, I missed my family so much and I had never dreamed I would feel so at home than when we moved in behind you and your family. David and I loved our conversations with you- your wisdom- and maybe you'd scoff at us even saying "wisdom" because you were so humble- but that's what it was. You had a way of simplifying things and a nonjudgmental nature that was comforting to us. Your love and commitment to your family and the closeness you shared with your wife and daughters is something I admired. I always felt I was welcome with you and your family- whether it was a bike ride, campfire, movie night, church service or just talking at the fence line, those times meant so much to me. We reflect on seeing you tinker around outside with one of your many projects and we say, "I'll really miss seeing him out back". Daisy misses you terribly and know that even though she's a dog, she feels your absence. We all do. We will feel your absence for a long, long time but we remember our time together with so much happiness.

“ I knew Rick when he was at Leesburg HS. Our son JR was a member of the AFJROTC. I worked with Rick when I was completeing the memorial area at the north end of the football field as the Eagle Scout project of JR's. Rick allowed me to be on campus during school hours and it turned out that he asked me to keep an eye open for any problems around the stadium area. We have kept in touch over the past few years and I told him if he ever needed help call me. I can remember sitting in his office at LHS and him talking highly of his family and how proud he was. I am deeply sorry on reading about his passing. I will let JR know. Ed Zaletta

“ Sometimes in our walk through this life you meet someone who is real. Those people leave a sense that you are accepted, cared about, and loved with sincere Christian love. Those people touch many lives without fan fare and without publicity, and really don't want such notice. Rick was such a man, and the Montgomery family is such a family. Rick may have gone ahead, but his legacy remains in Kim, Rikki, Randy and Kaci, as well as in the lives of those he has touched. Please know that our prayers are with you continually, and that we love you.

“ It was 1993 and I was recently-divorced with little education and few skills. Mr Montgomery hired me at Eckerd 108 on the Boulevard. He always said he wished he had a few more employees with my work ethic but after my Eckerd experience ended, I wished I had more bosses with Rick's sense of fairness. It is so sad to learn of his passing at such a young age. Please accept my sympathy.
