“ My many fond memories of Aunt Rita and Uncle Rene's big home in Windsor, Connecticut include "Little Rita," one of the oldest of my 20 cousins. I wore many of her hand-me-down clothes, for which I was always quite grateful (all my life I have hated clothes-shopping). Although we lost touch with each other in adulthood, she and her parents will always be a treasured part of my childhood. Now she is with them and my parents. May beautiful memories of her bring comfort to those who loved her. Sincerely, "Little Blanche" Ficaro Boucher

“ My loving sister, Rita, will be missed every day. She was a real lady and always tried to find the good in everything. She is now at peace and in the arms of our mother and father and her husband. She was very loved and may her children, Ron and Sheron, be comforted by my love in this sad time. Aunt Nancy
