“ Al, Laurie, Tracy and Scott, We are so sorry for your loss. Rita was a special person who always made me laugh. I can still see her sitting during a Super Bowl game trying to unravel some yarn that got tangled. We all teased her to just give up. She persisted until the end. We had many walks and talks along the beach in '07 when we both rented on St. Petersburg Beach. Memories of when we were kids came flooding through upon learning of her death. Also, to Dorothy, I know you will miss your sister. It is never easy to lose a sibling. Our thoughts and prayers are with all of you especially on Tuesday. Love and a big hug!

“ To my dear sister Laurie. I know how difficult these last months, particularly last weeks, have been. My love and prayers have been always with you. I know in my heart your mama has entered a place free of pain. She is now in paradise.)
