“ I was stationed with Bob at the USCG Academy back in the late 60's when we were Second Classes, me in Eye clinic and Bob in PE. Then again at the Academy in the late 80's. We were old time Coast Guard shipmates and I have a lot of happy memories of us hanging out.

“ I am a lucky man to have been a part of my buddy Bobby's circle of family and friends. A most caring, warm, sincere, kind, intelligent person that offered his unconditional friendship to me and everyone that I knew he encountered. I know he never met a stranger!

I love you man...

“ It was a friendship from the first time I met Bobby 8 or 9 years ago. I will always treasure our conversations in his work garage where he always had ongoing work projects. We talked about everything from solving all of the problems of the world to the best places to eat. Most of all, I will miss his crazy jokes & how he enjoyed making us laugh.

My Buddy Bobby, I will miss you so much.

“ *Joh 11:21-24- "Martha then said to Jesus: "Lord, if you had been here, my brother would not have died. Yet even now I know that whatever you ask God for, God will give you." Jesus said to her: "Your brother will rise." Martha said to him: "I know he will rise in the resurrection on the last day."*

The story of Lazarus, gives us confidence that Robert will resurrect very soon. We are sure that Jehovah our God wants to and has the power to resurrect our loved ones.
