“ *Our brother Bob was truly a big brother. He always let me know that I was his little sister and could count on him if I needed anything, and I could. He was proud to be the eldest in our family and of how he helped take care of me and Nancy when we were babies. When our Dad passed away Bob made a point to call and let me know that, as the eldest son, he would assume our Dads position in the family and I was to call on him as I would a father. I cannot say how much that meant to me after losing our Dad. I could not have asked for a brother with a bigger heart than his. I love him dearly and will always hold a big place in my heart for him. Your sister Patty =*

“ I am fortunate to have had opportunity to see you recently. My daughter had a great time hanging out with you at the christmas party and Shannon fell in love with your "fufu" drink. You helped define for me what being a Baum is. You will be missed greatly. P.S. I will care for that 2-3 mic until I find a person worthy of continuing its legacy and preserving its everlasting accuracy.

“ Uncle Bob was an amazing person. The love he showed for Aunt Rebecca was truly admirable and beautiful. I wish we could have seen him more often, because when we did, it was always a wonderful time. I am so glad we all got to see him at Christmas time, and he will be missed very much.

“ *Dear Rebecca and family; My heartfelt sympathy at the loss of Bobby. My mind is flooded with childhood memories especially the one of Bobby coming home on leave looking dashing in his navy uniform. Another memory is all of the Baum cousins at Grandma and Grandpa Baum's house on Christmas Eve. May your memories comfort you during this difficult time. Regards, Bev*

“ *My heart felt condolences to Rebecca and family. I was very saddened to hear of my cousin Bobby's passing. I have so many great memories of him, we shared some great times as boys growing up in the Baum family. I will never forget the sound on his voice and the great laugh he had, it was priceless. This was not something I thought I would be doing today Bobby, I'll miss you!*

“ This week the world became a little duller, a little quieter, and whole lot less fun to be in. He lived life to the fullest and will be missed for a long time to come by all who knew him. Some where he has his feet in water right now!
