“ *Dear Kurt and Debbie and Family, We send our sincerest sympathy during your time of loss. We will be praying for comfort for you. Having just gone through this, I am hoping that the cards, the flowers, the food, and the presence of friends and family will help you and lift your spirits as it did us. You will always have precious memories that will sometimes make you laugh and sometimes make you cry, but your love for him and his love for you will sustain you always. Remember that God has you in the palm of His hand.*
