“ *My wonderful uncle Bobby, you were such a kind and gentle man. I never saw my uncle mad or say an unkind word to anyone. I have fond memories of Track Street and spending time with my cousins and our families.*

Life has a way of keeping us busy and not spending much time together as adults. I miss all those fun times growing up.

I know where you are, in peace and without pain, in the arms of Jesus, with your parents and my parents and those who have gone before us.

I am thankful to have had you for an uncle.

I pray for peace and comfort for Aunt Jan and the family.
