“ Bob, I am going to miss seeing you sitting in your garage waving to us in cars. You would always give me a thumbs up or wave and of course a smile. It really made my day seeing you do this. I'll miss seeing you. Rest in peace my friend.

Jeanne, Your husband was a very nice person. Just keep the memories close to your heart.

“ I was fortunate enough to work with Bob at both Firestone Tire & Rubber Company and Cuyahoga Falls City Hall. I also shared a car pool arrangement with Bob while at Firestone. What a wonderful person he was. Not only bright in his field of accounting and finance, but moreover, he had a fascinating personality. He was also very knowledgeable in sports, business, and politics. I was always so pleased to learn how enjoyable Bob's retirement was. His years in "The Villages" was truly a dream come true. May God take good care of my dear friend. RIP Bob!
