“ *I could always count on Bob when I needed anything done. He was a great neighbor and always had a joke ready. He will be missed.*

“ *Pat- I cannot begin to tell you how saddened I was on hearing of Bob's passing. I really feel bad about not being able to make the last two visits to Florida with Shirley to see Bob and you. I will never forget all of the great times that we had together. We could sit and talk for hours about all of our times together and it would make many other people feel as they had really missed something in life. I will never forget these memories. Shirley and I and Pat & Wayne will see you on the 20th. I know that Bob's spirit will always be there with us. Love, NAM*
