“ *Bob was truly a great guy. We so enjoyed the luncheons we had with Bob and Eileen. He was such a patient man throughout his long illness. He set the bar high for all of us as we go forward in our lives. He truly will be missed by us. Linda & Art Smith*

“ *Great picture of a great guy and friend. He was the epitome of a football player and really had the all american look. I remember he loved to say he looked like Paul Newman, and he really did. Generous to a fault. Was always available to help me any time I asked. Great sense of humor, with a little sarcasm sometimes thrown in, at least with me. We all had so much fun together and I have so many happy and fun memories of Bob.*
