“ Our Condolences Mike-He was a wonderful guy. He loved music and was always ready to show you his sound system in his golf cart. Gonna miss his hugs when I would see him at the bar!

“ Bobby, Mike, Bernie, Charlie and Billy, your Dad was a great Uncle and always took the time to show me his newest "finds" each time we visited your house. He was upbeat every time we got together and will always be remembered fondly. Your father's thoughts, hopes and dreams live on through you. Our condolences to you and your families.

“ We were so sorry when we heard the news. We loved Uncle Bob and I will always remember visiting you guys in NY, and he would let me try the trumpet and harmonica. I just loved it, but I am sure you all must have hated it!!! And I remember walking around your basement with him and he would give me all sorts of testers for many different uses, to bring home. I so enjoyed playing around with them, although I had NO idea what they were for, they just look so cool. LOL We have lost another of our Greatest Generation...Our thoughts and prayers are with you all.

“ Sincerely sorry for the loss of your Dad. He was a joy at Continental Country Club. When he came into the Golf Shop he would start a song and I would join in! He was always surprised that I knew the words to the "old fashioned" songs. He sure did love his music! May you find peace in your hearts in the memories you made, and in some of his favorite music.
