“ *Mr. Eicher was a very dedicated administrator and teacher. He looked for the potential in every student and attempted to guide that student in the best direction for a most successful outcome for the student. He also had a sense of humor and truly enjoyed his job! I babysat for the Eicher children when they lived in the South Zanesville, Ohio area. It was a fun and nice job for a high school student! Mr. Eicher, may you rest I peace!! You deserve it after a long productive life!!!*
