“ Bobby was a great guy. Shopped at his store for years when i was young. He would always give me a little extra ground beef in my one pound package. I was so poor then. Then he helped me and my family with our funeral needs at beyers for years. God Bless his family in this time of grief. Amen

“ My granddaddy, my "dad" for the last 19 years, and my lifelong friend.... Life will never be the same without you. Your infectious smile and your beautiful laugh will never be forgotten. I take a little comfort in knowing that you are pain-free and that you are finally reunited with my mom and uncle Harry. I will miss you beyond words but I know that one day we will meet again. Until then, granddaddy, I love you and I'm so thankful for everything you have done for me through the years. You are the hardest working man I have ever known so I know that your time in paradise is going to be great. A day will not go by that I will not think of you and miss you and wish that I could talk to you just one more time. I will see you in my dreams... I love you and remember, "M R DUCKS!"
