“ Poppy, You were such a kind, gentle, and loving soul full of compassion and love. I will miss you every day that goes by and am blessed to always have you in my heart. Thank you for everything you've given to my Nanny and to my Mother. You were an angel sent to this earth, and now you're in peace, and I know that you feel no pain. This warms my heart, but is bitter sweet. I love you, my Poppy. Forever and Always, you'll remain in my heart. Love, kisses and hugs... Your Grand daughter, Elyssa

“ Hello Susie and Bob. I have been very fortunate to have met you, if only for a short time. The time is not important, what is important is the person you were and are in the brief time we met. You are not really gone, just moved to a different place. Your spirit and memory goes on and will do so as long as I have one. Thank you for allowing me to be a small part of your life.
