“ *Bob Fortin (Rocket man) as we learned to know him while on staff @ (A/A) or US Airways. Was an exceptional person and friend to the Ferguson clan. My father (Charles) and Bob were almost like brothers in how close their relationship was. Not enough words can written to show our love and thoughts about this wonderful man. His life left a tremendous foot print in all of our lives. He will be greatly missed by not just the Ferguson's and the ATI staff. But many, many others. God bless his family and friends at this time of loss. Steve*

“I would like to express my sincere sympathy to Marianne and the children and family of Bob. He was a dear, funny, unique man and I personally do miss seeing and talking to him at work. I think he must've had an interesting and fulfilling life with a loving family and friends and that is the most any of us could hope for. Alas, sorrow is sometimes a part of our human condition and I do pray for Bob and his family to be comforted. Best wishes to you all.
