“ My deepest sympathies to Bob's family and friends. I met Bob on the Platform Tennis Courts in The Villages. We played together a few times. He was knowledgeable about the game and gave strategy suggestions. I found him to be a great mentor. He loved the game and was a gracious competitor. Bob was always friendly and more interested in learning about others than talking about himself. He was a gentleman and just a truly nice guy. Bob will be missed. RIP my friend.

“ To Bob's children:
Bob was a familiar face around the platform tennis courts and we already miss him. He was so encouraging to me about things I could do to improve my game. While I didn't know much about him outside of the courts, I will always remember him as a kind and welcoming man. On behalf of our club, may you find comfort in the knowledge he was loved by his friends here.
