“ *To the Gage family. My sincere condolences. I'm truly sadden by the lost of my my friend Bob Gage, as we use to joke (uncle Bob). He was a dear friend and a mentor to me as I was coming up in the technology world. I met Bob at Bell Atlantic around 1986. I was a rookie and he took a liking to me and we have been friends every since.*

We have many memories from the good old days. We built a small company together IMC and flew by the seat of our paints all over Florida servicing computer equipment. Our service was second to none. My heart is broken today and I'm sad about the lost of my friend. I will miss him, until we meet again, uncle Bob. Rest in Peace.
