“ I am very sorry to learn of Bob's death. He has been absent from our lives for a long time and we didn't even know where he was. I am sure that he is at last at peace with the Lord.

“ I will miss Bob. I am sorry that I did not have more time with him to discuss our family history. I will always be grateful for his care of our mom after dad died. He was always there with his "little red taxi". I always enjoyed his stories about my sister, the little bambino Blanche.

“ I am so sorry to hear of your loss. My own dad passed in March and its been tough at times as he comes back to see me pretty often and I cry. I think losing a parent is very tough but, like you said, they're in a better place and feeling no more cancer pain.

“ No words can adequately express my sympathy to you all for your loss! I pray it will be of some comfort to know that Matthew is hugging his dad and they are both smiling down and watching over each of you!
