“ Some of my most treasured memories were spent at Eatons Beach. Mr. Houser always made us feel welcome. Our family lost track over the years but still had loving thoughts! I'm so sorry for your loss. How amazing 99 years old. My thoughts and prayers are with the family. May the care and love of those around you provide comfort and peace through the days ahead.

“ Linda and Mike, I was so sorry to hear about your dad's passing. Al and I were just talking about him a few days ago when we got together at Eatons Beach. I have so many great memories of my childhood growing up in Weirsdale, and there aren't many of those memories that don't involve your parents. All of us kids loved our times at Eatons Beach. Such great memories to be forever cherished.

“ Bob was a dear friend to our family and the memories growing up at Eaton's Beach will be with me the rest of my life. God bless each of you. For Mr. Bob, my favorite Irish blessing. May the road rise to meet you. May the wind be always at your back. May the sun shine warm upon your face. And rains fall soft upon your fields. And until we meet again, May God hold you in the hollow of His hand.
