“ *Rita, Tina, Tracey: Heard from Robin and just read about Bob in the Plymouth paper. One very vivid memory that I will always have of Bob was - despite his physical condition, he would insist on mowing his own lawn, cane and all, always giving a wave as we tooted the horn at him driving by your house on South Meadow. I will always remember Bob as a good, strong, independent, patriotic, thoughtful and hilarious man! May he rest in peace forever and may you always keep great memories of him close to you.*

“ *To Barb & Famiy: I was deeply saddened to hear about Bob's passing. We all loved him so very much. It's been a while since I'd seen him but I a lot of fond memories. I met Bob through my parents, Bill & Cindy Simmons. I only remember a happy man having a good life. I will stop and wave to him in the clouds above and ask God to take care of him. God Bless you Bob, God Bless this Family.*
