“ *“When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.” - Kahlil Gibran I extend my deepest sympathy to all of you on the passing of your Dad. I know first hand how great a loss it is when you realize that he will no longer be there for all the events in your lives. Stay strong by filling your mind with the wonderful memories of happier times. As my father-in-law, I'll always remember him as a kind, gentle and sweet man. May sharing your love of him with each other, help you through this difficult time. Love to you all.

“ *He was a fine father ,loving parent, and very understanding human being. I was very fortunate to have spend many days with him during his move to Florida and these good times will be with me as the father I knew and loved. He will be missed but will be in my memory forever as loving dad and friend. His Son*
