“ Mr. McLucas was a fun and very educated teacher he will forever be in our heart's. My prayers go out to Mrs.McLucas and the family. I remember a time when I was having a bad day he would tell me a story in the hallway and find a way to make me laugh. He was an amazing teacher they are hard to find teachers like him. I remember talking to him about the Army back then because my father and grandfather was as well and I told him one day I would join the Army and I did. So his stories will always be there. He will truly be missed.

“ My deepest sympathies to the McLucas family and his wife. Mr. Mclucas, known by our family as Bob, Bobby, or Rockhead, was one very special person. Bob was a friendly and generous man who always found time to help others and share an encouraging or positive word. He spent his summers in Lilly, PA with family and friends, who meant the world to him. He was always a supporter of the Lilly sports teams as well and spent many hours rooting for my brother Matt on the baseball fields. He was never too busy to stop to listen, to say hello, or to share a funny story. I will never forget the kindness that Bobby showed to me as I prepared to head to college... In July of 1986, my father had just gotten home and was recovering from cardiac bypass surgery, which was a really big deal at the time. Bob was a long time friend of my father and mother and regularly stopped by to chat or say hi. I had a mandatory freshman orientation at Susquehanna University and obviously my parents were unable to take me. Bob and another dear friend of his my Aunt Cecelia, volunteered to take me and spent the day driving me 2 1/2 hours to Selinsgrove, PA so that I wouldn't miss that important event. The best part was, Bob WANTED to go, just to help me out and spend a nice day on a leisurely drive. He saw the glass half full and looked at helping others as a blessing, rather than an imposition. Helping, serving, encouraging, and supporting others is what Bob enjoyed doing and that is the legacy that he leaves the world. I can honestly say that he's the type of person who I hope my daughter brings home some day. Rest well, Mr. Mclucas. You have more than earned it. Marty Martynuska Lilly, PA
