“ We met Bob & Marilyn shortly after we moved to the Villages. We were paired together at a yesteryear cart rally and became best friends. We enjoyed weekly golf and of course, eating out. Bob was a very kind, thoughtful and generous man. He was also a very gentle man and funny. We will really miss him and his unique sense of humor. We had a lot of good times together. Bob loved to travel. He & Marilyn toured Chicago with us. It took their visit to get us to Wrigley Field for the first time for a baseball game. We cruised together and of course, played games on the ship. Bob & Marilyn were generous with their time volunteering at a Senior facility & sharing God's word with them. Bob & Marilyn have added much to our lives. There is nothing like knowing you have friends who are always there for you. Our comfort is knowing Bob is with the Lord and Savior. We will meet again. “ Dear Marilyn,  
You have our deepest sympathy. I have wonderful memories of working with Bob at Westinghouse. We enjoyed our visit with you when we were in Florida. We also enjoyed all of the Christmas letters that told us about all of your travels. Think of all the great times the two of you shared. May God Bless you and keep you in his care.

Love,
