“ I am sad that we lost another member of our family. I was not aware until January 2014 of your passing. I like to believe that you are with Aunt Sharon, Mark, Mom and other family members. Some believe that families grieve together but I believe that families fall apart after loved ones leave us. Each of us is unique and no one can replace us. I will close with this...I will look back and smile on the days when I stayed with you and Aunt Sharon.
