“ *Ilene, we are so sorry to hear of Bob's recent passing. As you may remember, Bob was the Regional Director for the Northeast Region at Forethought when he hired me as his Sales Coordinator. He took a chance on a young teacher-turned sales professional back in 1989, and then taught me so many lessons that I still use today. His pricing & profitability ideas, territory management lessons, and meeting prep skills were simply superb...*

But the happiest I ever saw him was on his return from a trip to WV where he met my friend Jeff Taylor's customer, a female funeral home owner who had captured his heart! And I know he was happier that day and every day after because of you.

Blessings from Julia & I at this time of loss. We will be raising a glass in his memory, and to your continued happiness & health.
