“ *To the Nobles family.  
I never met your Dad but he holds a special place with so many people.  
I only know Sharon and Robert but send my heartfelt condolences to all of you. You still have each other and your Mom. Treasure the time you have and savor the memories you have with your parents and each other.  
Mr Nobles I am sure you had smooth seas and calm winds on your arrival in Heavens port.  
May our Lord and Savior comfort all of you during this difficult time.*

“ Bobby was always there to add a drop of sweet Georgia peach flavor to all the celebrations and holidays with our extended international "family".  
I loved hearing him ask any of us, including my 6'1" brother, Julio, "How are you, baby?" Everyone within earshot would immediately smile.  
Bobby had a unique way of always making me feel safe and protected since I was 5 years old.  
My entire family will forever miss his warm hugs, charming smile, and the sparkle in his eyes.  
I love you, Bobby.
