“ Please accept my sympathies for your loss. I worked for Bob back in the 70's at White Engines. I had gone to my interview with him in platform shoes and hair down past my shoulders. To my surprise, he hired me anyway. He never commented on my appearance so three weeks after being hired, I got a traditional haircut and bought some ties. If it was not for him taking a chance on a goofy kid, I probably would not own my own engineering company today. Thank you Bob. Bill Simmons Canton, Oh 330-704-3569 cell
