“ *In loving memory of Bob Powell, a dear friend who touched our lives in countless ways. I met Bob over 12 years ago, and our bond only grew with time. Bob was more than a friend; he was family. His presence during the holidays brought warmth and joy to our home. I fondly remember the time we spent at the Iron Horse during Bike Week, where we made unforgettable memories together.*

*One of the most cherished moments was when Steve, Bob, and I took his boat out on the serene waters of Lake Weir. The laughter and camaraderie we shared that day will forever be etched in my heart. Bob's generosity knew no bounds - his annual donation of boys and girls bikes for the toy run showcased his kind and giving nature.*

*I had the privilege of cutting Bob's hair regularly, a simple task that allowed us to share many stories and moments of laughter. I still remember his full head of hair on his last birthday, which we joyously celebrated at BEEF O BRADYS just two days before he passed. Bob's love for his custom-made Harley Davidson was evident to all who knew him. His passion for his bike was infectious and brought him immense joy.*

*Among Bob's many loves were his vibrant hibiscus plants, which he tended to with care and admiration. The colorful blooms mirrored his vibrant personality and brought beauty to his surroundings. And who could forget his fondness for Snoopy, a character that always brought a smile to his face.*

*Bob's absence leaves a void that cannot be filled. His laughter, kindness, and presence will be dearly missed by me, my parents, and all who had the privilege of knowing him. Though he may no longer be with us physically, his spirit will live on in our hearts forever. Rest in peace, dear Bob. Always, Rosemary "Rosie" Halle' & Mom and Dad*
