“ *I met Happy on our Grand Canyon rafting trip. He and his friends brought a special magic to our time there. My sister, Evelyn, friend Peggy and I bonded with them right away. Perhaps because we were the "old people" on that trip I have always held a special place in my heart for Happy. Please know he spread his kindness and laughter everywhere - even at the bottom of the Grand Canyon. My prayers will be with you.*

Sorry for your loss. We were in the Metropolitan Police Academy, Class of 1973. We rode together when I was redeployed to the Fells Station. While in the academy, I never called Bob with his nickname "Happy"; somehow, I did not want the class to know his nickname.

Peggy I last spoke with you January 5, 2000, when I called Bob about RAMP. Bob called me later that night.

I know Bob from his relationship with the Copeland and Millea families from Everett and Saugus.
