“ *My sincerest sympathies D'Ann, Robbie, Brian, David and Mary and families. It seems like a year or so ago that we first met in Central Lake, Michigan, being involved in the business community there. More importantly, we became fast friends. If memory serves me correctly, I believe it was I that found your home here in the Villages when you made your move her in 2001. I know (first hand) what losing your life's partner and parent is. It's hard, leaving many difficult days, months and yes, years to follow. We mourn our loss, we miss our loved one, and yet knowingly that God is with us, and we must continue on throughout this journey of life. We are each given a purpose in life. Some of us are not done with the assigned tasks as yet. Until that time comes, we continue on, loving our family, our friends, and all we know and meet. It's what we must do, what we are driven to do, and yes, what we want to do. All answers are not visable right now, but, in time, things work out, we know that what we have done on this God's Earth, it has made a difference, and we've left a mark in others lives. Please do never feel you are alone. You are not !! We are all here, we'll listen, offer our kind words, our love and respect, our presence. May God Bless and wrap each of you with his love and warmth. For some, their work and journey is over, going on to live in peace for eternity. For those of us still here, we shall keep the faith. We shall keep our love for each other, and look forward (when our work is done) to also be given that everlasting freedom, peace and love of God the Father, and our Savior, Jesus Christ our Lord. Peace be with each of you. Chares F. "Chuck" Themm, A friend, always.*

“Dad, I miss you more than you could imagine. Every night I would hold your hand and pat your head telling you that it is alright. That we loved you so much, and that we were ok. We did not want you to suffer anymore, and now you are free. Thank you for being my Dad, Thank you for loving me through everything we went through, you are so amazing Dad, and I love you, I will carry you in my heart, and cherish all the memories, from driving to see Grandma, our many trips to Cedar Point when younger, our trips to the zoo and just hanging around the house. So with this, I say I love you Dad, and soar free and I will see you again, David
