“ Dear Joan, I am devastated to hear of the loss of your son Robert. He was much too young to leave this earth, but God must need him in Heaven and has taken away his suffering. Please take comfort knowing he will forever be a guardian angel, and is now in peace. My heart felt sympathy goes out to you and your entire family during this very difficult time. Love, Sue Burkhardt

“ I met Sandy 22 years ago when I first moved to Florida and we remained good friends until the day he passed. He was a good person and a loyal friend and I'm going to miss him along with all those he touched. I hope Sandy's family can find some comfort knowing that he was loved and respected by many people and for me he was one of the finest people that I have had the pleasure of knowing in my life. Peace to his family on this devastating loss.
