“ *Dear Bob, It's been four years and I miss you still every day.. May You Always Walk In Sunshine May you always walk in sunshine and God's around you flow, for the happiness you gave us, no one will ever know. It broke our hearts to lose you, but you did not go alone, a part of us went with you, the day God called you home. A million times we needed you, a million times we've cried. If love could only have saved you, you never would have died. The Lord be with you and may you rest in peace.*

“ To My Brother Day by day I think of you, How can all of this be true? I can't believe you're really gone, I still can't accept it... Just the thought of you makes me cry, I never even got the chance to say goodbye. Every picture, makes me sader I don't know if it will ever get better. I know we didn't always get along, So many things I never got to say, I never imagined you'd ever be so far away. You were my brother, And I loved you like no other. In my heart you'll always be, You'll be my guide and help me see. I'll never forget your laughing voice, I would change all of this I had a choice. But now I have to let you rest, Although without you my world's a mess. I miss you with all of my heart, I wish we never had to part. I know you're always by my side, So now I guess this is my goodbye I love YOU brother!!

“ To My Big Brother... If Roses grow in Heaven, Lord please pick a bunch for me, Place them in my Brother's arms and tell him they're from me. Tell him I love him and miss him, and when he turns to smile, place a kiss upon his cheek and hold him for awhile. Because remembering him is easy I do it every day, but there's an ache within my heart that will never go away.

You, my big brother was always there for me no matter how far you had to go. You never missed a family gathering. You never missed Moms birthday...I don't think you even realized how much we all loved you..RIP my brother. Always*

“ *Happy Easter in Heaven Bob, I know you are taking care of Mom , Dad and Raymond.The Broken Chain We little knew the day that God was going to call your name, In life we loved you dearly, in death we do the same. It broke our hearts to lose you, but in God we put our trust, In times as difficult as this, faith is such a must. You left us peaceful memories, your love is still our guide, And though we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same, But as God calls us one by one, the chain will link again.*
