“ *Uncle Bob Sullivan was quite a guy. I vividly recall visiting him in New York when we were kids. Uncle Bob was a larger than life figure to us. I always thought of him as a baseball star. From my mother, (Bob's sister Nancy) we heard stories of how Bob and his father, who was an umpire, played baseball while she watched from the bleachers, cheering and eating peanuts. My mother and I visited Bob and his lovely wife Elaine in Lady Lake, Florida in February 2010. I am sad that we will not be able to attend the funeral, and hope that Cousin Bobby and Elaine will be in touch in the near future.*
