“ To Dave Tice & Family My Condolences to you & your Family. Dave your parents raise an up standing man, and it is a pleasure to know you and Lois. Our lives (friends) have been enriched by knowing you. I can say to have people say "that a parent or parents have done a good job raising a son or daughter because how well they are like by people who get to know them well. And they did well with you. Your Father is in good hands now, and he is resting well with the Lord. Peace be with you All and God Bless you. A Friend Ida Makris
