Why does someone's passing make us think about things we should have always known.

Sometimes when it's too late , we sit and think about what someone has inadvertently done for us , when someone passes away it's too late to say thank you for something they didn't realize they even did

Bill and I have lost his oldest brother Bob Zonin Sr. and while reminiscing about his brother I said do you realize if Bob didn't move here to NJ I would have never met you. Bob , who was the first of many Zonin's to move to NJ and most all of his siblings followed and as history might have it also gave many of us our spouses and therefore our stories began. Our children, their children and on . We will miss you and I for one will always be thankful for the gift I received from you and that is my husband and your brother Bill.

Joe Zonin, Robert Zonin, Gloria J Zonin Kuipers, Julie Marie Zonin-Lipari, Michael Zonin. Our thoughts and Love are with each of you and your families

Rest In Peace

“ *Mr, Bob as I called him was one of the Ushers at our 4 pm Mass on Saturdays here at St. Mary of the Lakes Catholic Church in Eustis. When the Head Usher, Mr Louis Johnson, passed away in June of 2014 - Mr. Bob volunteered to open and close the church every Saturday. He was very faithful in doing this task until last September when he told me that he had to step back for health reasons. I was very grateful to him to be there all the time and I shall always remember him with fondness.*
