“ We miss you tremendously , most of these pictures of you we see , we were a part of , every picture is a memory that we will never let fade away . Every picture there's a joke that we hear with your infectious laughter and dimples . Every picture we remember oh that's the day we were doing this at that place . Your legacy will live on in all of us . You are family a brother , a best friend , a godfather , a compadre . I will always hear you and Roy , Hey Compadre this hey Compadre that . I will miss those days of us hanging out in back of truck listening to music , each one of us putting in our request swearing we can sing , hitting those high notes ! (poor neighbors) Everyone knew Robert was relaxed and having a great time when you started dancing ! We will make you proud , the skies the Limit and beyond. We will honor you in every way we can . We will love your children and do what we can for them , as you would do the same . Until we meet again , we will pick up where we left off , un grito para ti compadre Robert . We love you and miss you . May your wings span out wide as we know you'd be hugging all of us . Tremendous love and respect for you.
