“ *Elma and family, So sorry to hear of Robin's passing. He was the best boss I ever had in addition to being a friend. It was always nice to see you when you stopped in at the forestry in Orr when you came up in the summer. He will be greatly missed by everyone. Will keep in touch.*

“ *I am very sorry to hear of Robin's passing and for your loss. I worked for Robin back in the mid-80s while he was the supervisor for the Orr Forestry Area. Robin was a kind and gentle man and a good boss.*

“ I'm very sorry to hear about Robin; please accept my deepest sympathies. During a Forestry supervisors' mtg. Robin and I sat together while viewing a slide show of 2 Forestry BWCA forest guards' summer escapades. When it ended Robin turned to me and asked me what I thought. I answered that the guards were the only people in the room that had the job we all wanted when we became foresters. We both got a good laugh out of that. I always enjoyed his sense of humor.

“ My condolences to the Nelson family. I first met and worked directly with Robin in 1967 when he was stationed at Link Lake. I was a student at the U of M working as a summer student. He was a great mentor to me then and I learned a lot from him that summer. I was hired in 1969 as a forester for MNDNR and worked in the adjoining district and area (Side Lake and Hibbing) until Robin retired.

“ *Elma and family, may you find solace in his passing knowing he was very well thought of by folks in the MN Division of Forestry. I always looked forward to seeing Robin when I had the opportunity to spend some time in the Orr Area. He was a quiet guy, but always easy to visit with. We shared a common history of having had heart surgery and I enjoyed hearing from him to talk about it. I'm glad he had those extra years with you. You are in our prayers.*
