“ Dear Carolyn,
I was so sorry to hear of your dad's passing. I had the privilege of being your parents' banker several years ago in Lady Lake. They were my favorite customers and I enjoyed the time I spent with them. One time when they came in your mom gave me a dolphin figurine(apparently she heard I collected them) which I treasure to this day. I didn't know of your mom's passing until much later. I will keep you and your family in my prayers. Your parents will be sadly missed but fondly remembered.
Sincerely,
Kate lehle
