“ *My prayers continue with your family as you all celebrate Rose's life. May the service tomorrow help that process and encourage all to keep faith with each other and see new ways that God loves each of us. May Christ's love continue to come to us and help us establish a solid personal relationship with Him...esp. in the season as we celebrate His birth and sacrifice for each. God bless and thank you for allowing me to share in the service with you . Pastor Bill*
