September 10, 1947 - May 2, 2016

### Obituary of Rochelle Montgomery

It is with profound sadness that we announce today that Rochelle Blumm Montgomery, born September 10, 1947 in Wilmington, Delaware, after a brief hospitalization for an acute respiratory illness, has passed on from us on May 2, 2016 and leaves those who loved her dearly deeply mourning the loss.

Rochelle is survived by and will always be remembered as a devoted, loving wife to her beloved partner of 38 years Donald Page Montgomery , and as a devoted, loving, proud Mother to her only child, son, Tyran (Ty) Green, who currently resides in Chicago, Illinois.

Both her husband and son, although in immense grief, were given the honor of being right by her side with her as she passed, just as she would have wanted.

Anyone who had the pleasure of knowing Rochelle knew of her kindness, her genuine sweet, kind nature and her love of family and many friendships formed through her life that she held dear. Her infectious laugh, smile, and thoughtfulness touched many lives while here. She will be missed by so many dearly.

She had a lifelong passion for animals, especially rescuing many dogs throughout her life, it brought her immense pleasure to take care of them and provide a home and love. She also enjoyed traveling and seeing the country and keeping in touch with her many friends.

She previously worked as a police officer for Dover, Delaware. She also served as a State Trooper for the state of Delaware.

She was an avid patriotic supporter and loved her country dearly, she was especially proud that her son Ty followed her husbands path and served in the United States Air Force dutifully.

Always thinking of others happiness, and being a person of positivity, she wouldn't want others mourning her passing, only, she would prefer they celebrate her life. She was preceded in death by her parents Francis Blumm and Adeline Stafford.

She is also survived, remembered dearly, and deeply missed by her brother Anthony Blumm, sister Mary Ellen Hutchison and their families including numerous nieces and nephews.

Rochelle will be deeply missed by all who had the pleasure and great fortune of knowing and loving her throughout her life.

In lieu of flowers, Rochelle's wishes, if so desired, would be to make a donation in her memory to USO.org, in support of the troops and their families.

“ Sis you do not know how bad I miss you! I feel so bad not getting down there to see you for a while. I for the life of me never expected you to pass so quickly. It is so hard to believe you are gone. I will have trouble on 9/10 when I cannot call you first thing in the morning to wish you a happy birthday. You and Mary Ann have always been a rock for me and it is so hard to realize you have gone. May you, Mom and Dad watch over all of us and we will see you when our time comes.

“ So sorry for your loss, she was a wonderful woman and good friend. She has touched my heart over the few years I have known her. Her kindness and generosity to so many has been permanently left in my memory of her. I found a wonderful friend years ago on Facebook and enjoyed our game we played together on YoVille. We were BFF's who shared experiences in the game and in our lives. We never met in person and had plans to do so some day however, our friendship felt like we knew each other like sisters. I will miss you sweet lady and thank you for being part of my life in my Golden Years. I pray your family finds peace in your passing and the love you left behind. R.I.P. my BFF. Hugs...XXXXXXXX

“ Don and family, I believe that the saddest thing is that we didnt get to know Rochelle better. Sadly, her illness kept her inside a lot and although we were only across the street, it was as if we were miles away. Even though we don't see each other much, please know we are always here for you and all you need to do is call and we'll come running. God give you peace and comfort at this time of sorrow, and may you be comforted in the knowledge that she is in the arms of our Saviour. Love Joe and Kim.
