“ *I remember Roger back in the 50's. He was the first one in Huntsville to get a unicycle. After him all the boys wanted one. There were a lot of us who learned to ride and and we all had a lot of fun. Thanks Roger for starting a fad in the 50'S Bernie Jenkins*

“ We are saddened to hear of Roger's passing and would like to extend our condolences to Rebelen and the Brunson family. Roger is missed every day at Citizens First Bank. We remember him fondly as a hard worker who was never too busy to stop and chat. He was always smiling and was a caring, thoughtful person. I know that Roger's illness was stressful for him but now he is at peace with our father in heaven. Our thoughts and prayers are with those he left behind. May you find peace in knowing that Roger would not want you to suffer or be burdened either. Be glad in his life and for those he loved, he cared for well. He was a generous husband and father. God Bless the Brunson family. With much sympathy, Sheri (Runnels) Buck and John Buck

“ Roger was the worker bee for his family. I never heard him raise his voice once. I should know, considering all the crazy stuff we used to do Yvonne. I'm sorry for your loss Yvonne and Doug. Sending you thoughts of comfort and peace.

“ I worked with Roger for many years. He liked to stay busy. It seems he was always recycling something. I remember him carrying around bags of soda cans. He always seemed happy. I pray that God will surround his family with love and peace. Respectfully, Scott Sullivan
