“ Dear Ray & Caroline - So very sorry to hear about Roger. None of us saw each other very often over the past several years. I do have good childhood memories of visiting you all in Leesburg & you visiting us in Perry. We lived in the country & I remember that I loved to walk downtown with you all since you lived in town. Remember the ducks in the pond, etc. We had lots of fun back then & I know you will miss Roger deeply. Regret that we cannot be there today but please tell the rest of his family that they, as well as you, are in our thoughts & prayers. Love, Lillian & Don
