“Daddy, I miss you. I finally got wheels and was coming to see you for your birthday this weekend. It was going to be the best surprise ever. All this time, never being able to visit because I never had a decent car was going to end. I love you so much and now feel rotten for not finding other ways. You will always be in my heart and on my mind. No matter how bad things got you never gave up and I never will either. - Carol
