“ Dear Kokenburg Family, My name is Winter. I am just a neighbor giving my condolences. Even though, it has been just a little over 2 months, often grief is still there. I just have to say do not rush it, research has found and personal experience that doing so stifles the healing process. I hope the whole family greives peacefully each at his own pace. What helps me along with, talking , writing and crying is reading the Bible, particulary verses that show what God and Jesus told us they will do for us regarding our dead loved ones. These really help: John 5:28-29, Acts 24:15, and Revelation 21:3,4. Again, my condolences. Sincerely, Winter
