“ My family and I are sorry to hear of Ron's passing away. Ron's family and our's were very close friends in Elmira, NY. We didn't have much contact as we all graduated and grew older but we did have many fond memories when we were younger. I wish you and your family peace as you go through this extremely rough passage in your life. My family will keep you all in our prayers.

“ Loreen and Matthew, I am so sorry to hear about your loss. I have been praying for you guys and will continue to pray in the following days. The Lord will give you the strength to get through this. One verse that I clung to when Dan passed away was Romans 8:28. Keep close to the Lord. Love you guys, Kim :)

“ Ron will be sorely missed. I worked with him at Waterman for many years, and remember talking to him recently in the lobby of the new hospital. I was shocked when I opened up the paper Saturday. My condolences and prayers go out to the family. He was a great guy and will be missed by many.

“ Matthew, I am so sorry for the loss you are going through. Knowing your family since we were in school together and now the loss you and your family have. I wish I could help with the pain you feel, however it's in God's hands now. Just know that if you need anything I am here for you.
