“ In 2022 the Queen passed away and Canada minted a black Toonie in her honor. I got my hands on one and was going to bring it down with me to give you next time I came to visit. Now I'll carry it with me in memory of all the times I brought you new or interesting Canadian money as a kid.

Thank you for all the memories, and for always being a ray of sarcastic sunshine. I'll miss you Uncle Ron.

“ I will always be your princess. You would hang out with me when I was five and you were 16 with the other teenagers at the A&W drive-in letting me feel all grown up.. you took me to places like the demolition derby in Jacksonville when I was little and you also snuck me in underneath the side of the tent to see all the oddities at the fair. You were a great brother and I will miss you love you, sister Paula.
