“ Friends like you and Ron only come along once in a lifetime. Sometimes people are not that lucky. We feel honored that you two chose to let us be privy to such a wonderful unity. The light in your eyes for each other was something magical. It was rare to see. Some people search their whole life looking for that person. Sue you are truley a blessed woman to have found that someone. No one will ever take his place. Hard days will be ahead, but know that we are here for you and will always try to comfort you. My prayer for you is for comfort,blessings,& Understanding. I can't know how you feel, but I do have a shoulder for you to lean on. You two treat us like family and I love you like a sister. Peace be with you in these trying days ahead. We love you.
