“ So sorry to hear this news! Ron was one of my very favorite people from back in the days when I worked with the Insurance Company. We kept in touch via email and on birthdays for all these years. He loved his family dearly and cared for the well being of all that he knew. He will be greatly missed but his memory will warm our hearts forever. We are all fortunate to have had Ron in our life. Sending you prayers....Gina

“ My daddy is no longer physically with me but I know he is watching me from above. I hope I keep making you proud daddy because it's all I ever wanted. I miss you so much that sometimes I just want to curl In a ball and cry forever. I know this pain will ease with time but for now I just want to look at your face and see your smile. I love you and will always be daddy's little girl!!
