“ Ron was my cousin. I didn't know him very well but I do remember when I was a young girl his family would visit us in Warren, Ohio. Lois was my dad's cousin. My dad was Pete Losey. I remember one time they came to visit and he was probably 18 at the time and I was 10. All my little friends thought he was so adorable and cute (and he was). My thoughts and prayers to the family in this time of sorrow.

“ Ron, I will miss our midnight telephone calls to one another. When one of us couldn't sleep, we'd call each other and talk for the longest of nights. I miss that already. Good night my dear friend...Lynnette

“ Ron and I were really good friends, I moved away, and when ever I came back . I looked him up. It was like I never left at all. He always made me feel like I was the only person in the room. Lately I have been thinking of Ron and I was going to get in touch. "Would of, Should of, Could of." When I get to heaven I will see Ron again. He was good to everyone. His work on earth was done. 2 Corinthians 4:18 So we fix our eyes not on what is seen, but what is unseen is eternal. Vios Con Dios Ron, My friend. Debra Poe
